PROGRESSION ROUTES

ENTRY LEVEL ENGLISH
ENTRY LEVEL MATHS

This leaflet outlines the progression and career development opportunities available to you following your completion of the course.

“Life is a math equation. In order to gain the most, you have to know how to convert negatives into positives.”

Progression to OTHER COURSES

The Entry Level Maths and English gives you the basic skills required to communicate, read and write and perform basic Maths calculations. This is a good starting point to then progress onto other courses.

Courses supported by Eagles Consultancy Ltd;

- Functional Skills: Level 1 English and Mathematics
- Entry Level Caring for Children

I have finished my course, what can I do now?

Some careers have clear progression routes which outline what you need to do to gain employment in these sectors. In others, the push might be up to you.

Some of you might have a career in mind and that is why you have chosen to take a course with Eagles Consultancy. Others may have interests you want to develop before looking at a possible career or progression route.

When you have completed Entry Level English and Maths, you have several options of what you can do next with Eagles Consultancy, or if you chose, with other educational settings. You may even choose to enter employment!

Progression to EMPLOYMENT

The Entry Level English and Maths qualification can be used to support you in enhancing knowledge and skills and can help prepare you for your next steps either in training or moving towards work.

The course supports you to develop skills to live independently and support you to find employment

The skills developed can also be used as a stepping-stone towards careers such as;

- Office work
- Retail
- Vocational Sectors
