Some of you might have a career in mind and that is why you have chosen to take a course with Eagles Consultancy. Perhaps you have interests you want to develop so you can enter a possible career or progression route?

Now that you have completed the Level 2 Certificate in Challenging Behaviour, you have several options of what you can do next with Eagles Consultancy or if you choose, with other educational settings.

## Progression to employment!

Your Level 2 Certificate can support you in preparing for your next steps either in training or moving into employment towards careers such as:

- Schools: Pastoral Support Worker
- Vocational Sectors
- Youth Worker

If you do not already have them, you will need further qualifications in the above careers but gaining your Level 2 Certificate is a good start.
