Now that you have completed the Level 1 Diploma in Caring for Children, you have several options of what you can do next with Eagles Consultancy or if you choose, with other educational settings.

Progression to employment!

Your Level 1 Diploma can support you in preparing for your next steps either in training or moving into employment, it can also be used as a stepping-stone towards careers such as:

- Childcare
- Vocational Sectors

If you do not already have them, you will need further qualifications in the above careers but gaining your Level 1 qualification is a good start.
