What can I do now?

Some careers have clear progression routes which outline what you need to do to gain employment in these sectors. In others, the push might be up to you.

Some of you might have a career in mind and that is why you have chosen to take a course with Eagles Consultancy. Perhaps you have interests you want to develop so you can enter a possible career or progression route?

Now that you have completed the Level 2 Diploma in Caring for Children, you have several options of what you can do next with Eagles Consultancy or if you choose, with other educational settings.

Progression to employment!

Your Level 2 Diploma can support you in preparing for your next steps either in training or moving into employment towards careers such as:

- Early Years Education: Teaching Assistance or Pastoral Support Worker.
- Pre-School Worker
- Nursery Assistant.
- Vocational Sectors

If you do not already have them, you will need further qualifications in the above careers but gaining your Level 2 CFC is a good start.
