What can I do now?

Some careers have clear progression routes which outline what you need to do to gain employment in these sectors.

Some of you might have a career in mind and that is why you have chosen to take a course with Eagles Consultancy. Perhaps you have interests you want to develop so you can enter a possible career or progression route?

Now that you have completed the Level 2 Certificate in Counselling Skills, you have several options of what you can do next with Eagles Consultancy or if you choose, with other educational settings.

Progression to employment!

Your Level 2 certificate can support you in preparing for your next steps either in training or moving into employment, it can also be used as a stepping-stone towards careers such as:

- Schools: Pastoral Support Worker, Student Mentor
- Vocational Sectors
- Youth Worker

If you do not already have them, you will need further qualifications in the above careers but gaining your Level 2 qualification is a good start.
