PROGRESSION LEAFLET

LEVEL 2 DIGITAL SKILLS

This leaflet outlines the progression and career development opportunities available to you following your completion of the course.

“Computers themselves and software yet to be developed, will revolutionise the way we learn.”
– Steve Jobs –

Progression to other courses!

Courses supported by Eagles Consultancy include;

- CACHE Level 2 Certificate in Challenging Behaviour
- CACHE Level 2 Certificate in Understanding Autism
- CACHE Level 2 Certificate in Understanding Mental Health
- CACHE Level 2 Certificate in Supporting Teaching in Schools
- Functional Skills: English and Mathematics

Courses supported by NCFE with other providers include;

- NCFE Level 3 Certificate in IT User Skills (ITQ)
- NCFE Level 3 Extended Diploma in IT (General or Business)

What can I do now?

Some careers have clear progression routes which outline what you need to do to gain employment in these sectors. In others, the push might be up to you.

Some of you might have a career in mind and that is why you have chosen to take a course with Eagles Consultancy. Perhaps you have interests you want to develop so you can enter a possible career or progression route?

Now that you have completed the Level 2 Certificate in Digital Skills, you have several options of what you can do next with Eagles Consultancy or if you choose, with other educational settings.

Progression to employment!

Your Level 2 Certificate can support you in preparing for your next steps either in training or moving into employment towards careers such as:

- General Computer Requirements for Jobs
- Retail
- Office Administration
- Customer Service

It can be used as a stepping-stone towards careers which require ICT and knowledge of computers. Most employers in all industries will want digital skills in their employees!
