PROGRESSION LEAFLET

FUNCTIONAL SKILLS: MATHS & ENGLISH (ENTRY)

This leaflet outlines the progression and career development opportunities available to you following your completion of the course.

“Life is a math equation. In order to gain the most, you have to know how to convert negatives into positives.”
– Anonymous –

Progression to other courses!

The Entry Level Maths and English gives you basic skills required to communicate, read and write and perform specific Maths calculations. This is a good starting point for many job opportunities and to progress onto other advanced courses.

- Courses supported by Eagles Consultancy Ltd;
 - Level 1 English
 - Level 1 Mathematics
 - Level 1 Digital Skills
- Courses supported by NCFE with other providers include;
 - Functional Skills: Level 2 English, Maths, ICT

What can I do now?

Some careers have clear progression routes which outline what you need to do to gain employment in these sectors. In others, the push might be up to you.

Some of you might have a career in mind and that is why you have chosen to take a course with Eagles Consultancy. Perhaps you have interests you want to develop so you can enter a possible career or progression route?

Now that you have completed an Entry Level Functional Skill, you have several options of what you can do next with Eagles Consultancy or if you choose, with other educational settings.

Progression to employment!

The courses supports you to develop skills to live independently at an appropriate level to read, write, speak, listen and communicate in English, and to apply these skills effectively to a range of purposes in the workplace and in other real life situations.

The skills developed can also be used as a stepping-stone towards careers such as;

- Office work
- Retail
- Vocational Sectors
