What can I do now?

Some careers have clear progression routes which outline what you need to do to gain employment in these sectors. In others, the push might be up to you.

Some of you might have a career in mind and that is why you have chosen to take a course with Eagles Consultancy. Perhaps you have interests you want to develop so you can enter a possible career or progression route?

Now that you have completed your course, you have several options of what you can do next with Eagles Consultancy or if you choose, with other educational settings.

Progression to employment!

This qualification will develop and enhance your knowledge in the subject matter, which will support you in preparing for your next steps either in training or moving into employment, it can also be used as a stepping-stone towards careers such as:

- Mental Health Nurse (with further study)
- Wellbeing Practitioner
- Child/Adolescent Mental Health Support Worker

If you do not already have them, further qualifications will support you in the above careers.
